I feel such enormous power...

Who the hell could he be?
It feels familiar...

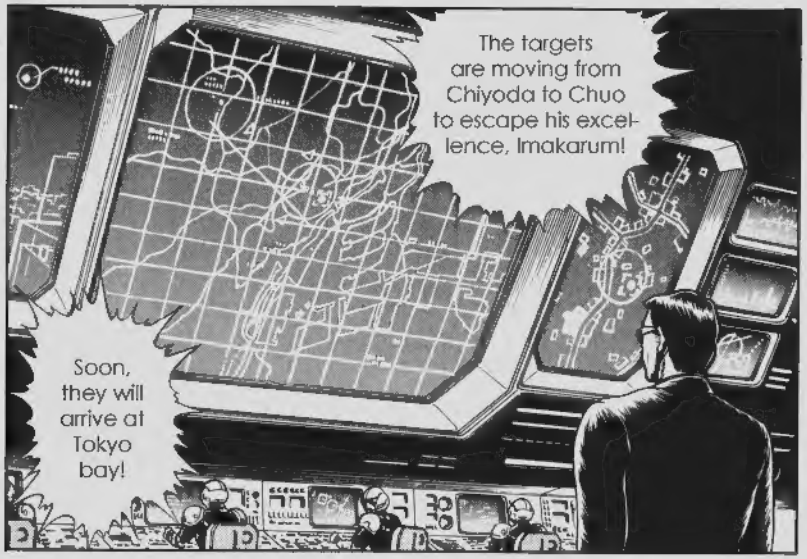
ゴゴゴ

Remember when we all fought together, when all seemed hopeless!
Uggh ...
remember professor Yamamura... remember director Odagiri,
Try to remember, Mr.Murakami...

All of Chronos' enemies will be destroyed!
that was you, Mr.Murakami
You, who fought Chronos until it cost you your life, you who taught all of us the meaning of this struggle...
Why... why do I have to fight you...
This discussion has ended!

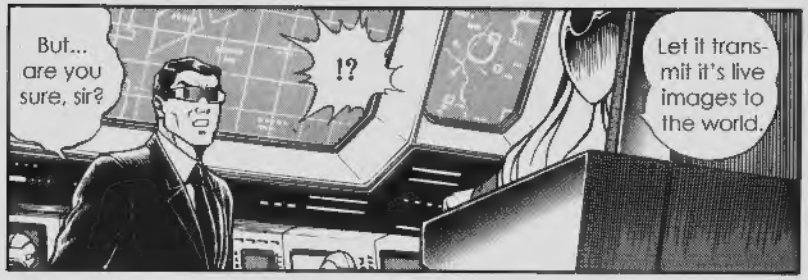
but what should I say?
I remember everything...
Those words only meant something to me when I was an insect like you!
Now that I have become one of the Zoalords, the most powerful beings in the world...
the past has become irrelevant.
Mr. Murakami...

It's no use, Fukamachi.
B-but...
He is just a Zoalord you must fight!
That bastard is no longer the Murakami that you knew!
Makash ima-
Wake up, Fukamachi!
Murakami died on Mount Minakami!
Shit...
Fukamachi - Jump!



The targets are moving from Chiyoda to Chuo to escape his excellence, Imakarum!
Soon, they will arrive at Tokyo bay!

Aahhh...
!!

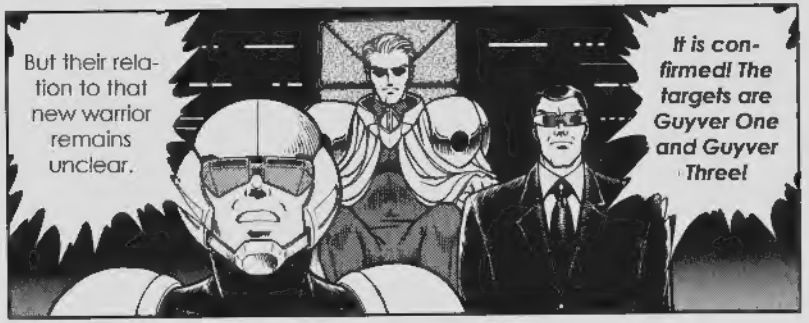


But... are you sure, sir?
!?
Let it transmit it's live images to the world.

Better to turn it to our advantage.
Certainly!
Hiding what is going on would only work against us!

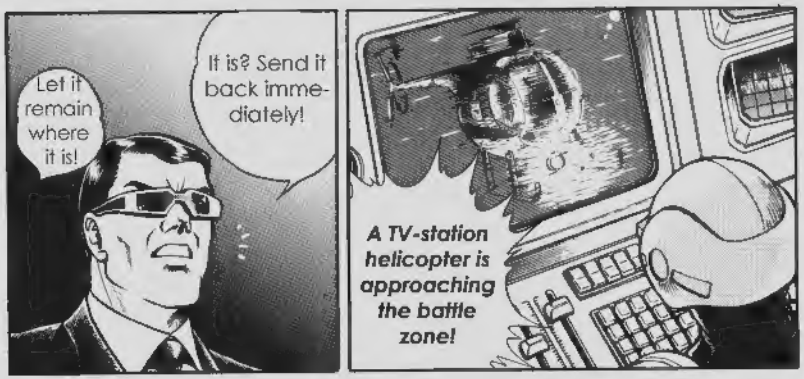
Sho and Makashima are on TV!
Tetsuro, look!

Are they really?

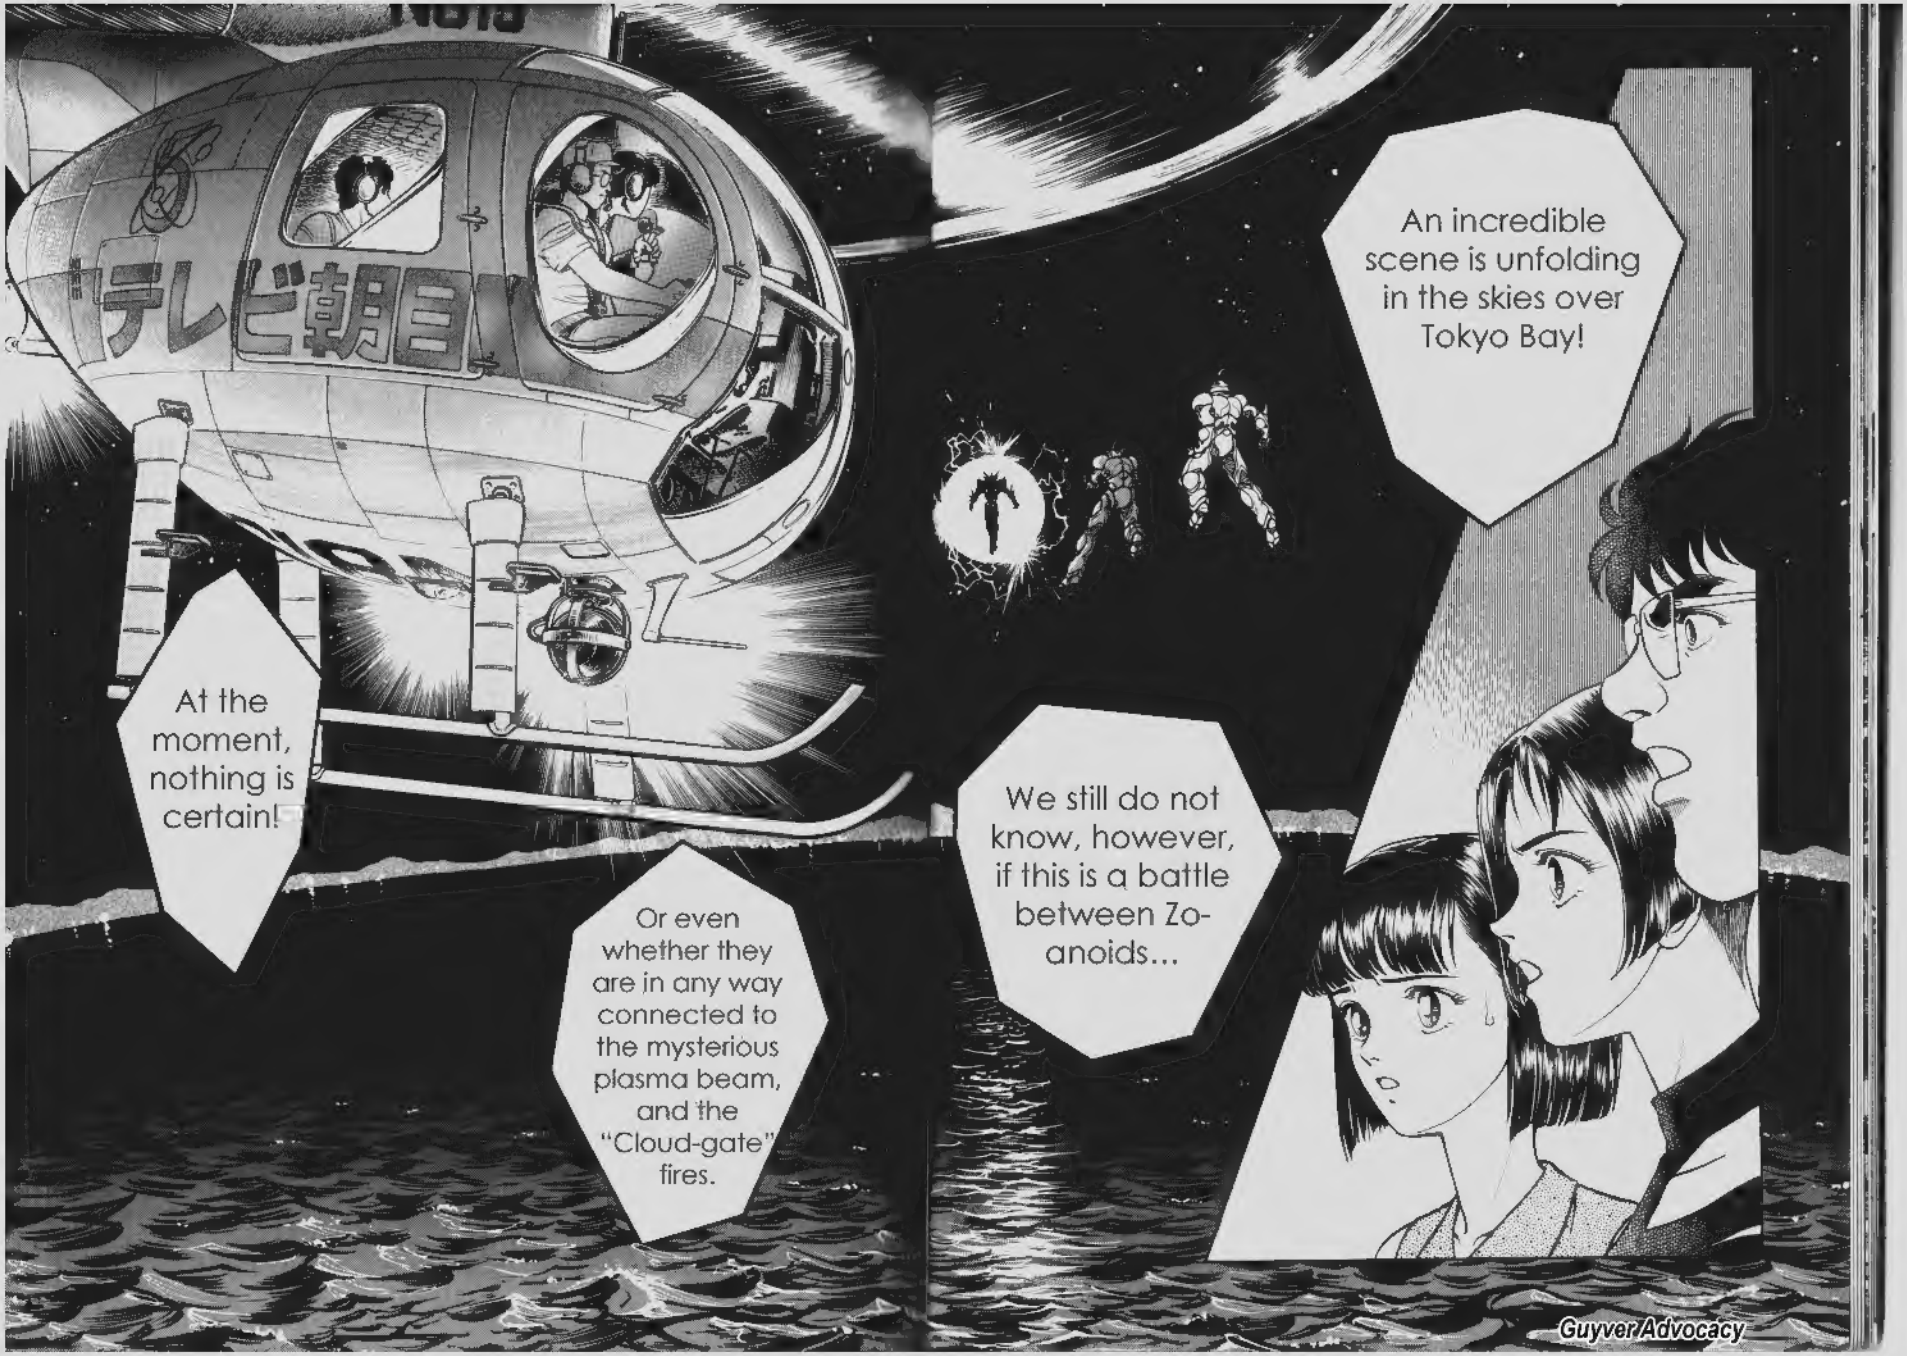


But their relation to that new warrior remains unclear.
It is confirmed! The targets are Guyver One and Guyver Three!

!!
And I was their target!
The Guyvers are alive... as I thought ...
You will pay dearly for that.



Let it remain where it is!
It is? Send it back immediately!
A TV-station helicopter is approaching the battle zone!



テレビ朝日
An incredible scene is unfolding in the skies over Tokyo Bay!
We still do not know, however, if this is a battle between Zo-anoids...
Or even whether they are in any way connected to the mysterious plasma beam, and the "Cloud-gate" fires.
At the moment, nothing is certain!

Why won't you transform into Gigantic mode?

You have to fight! Transform into Gigantic mode!
Do you want to die without even a fight?
Listen to me, Fukamachi...
What's wrong with you, Fukamachi?
There's no choice!
Why won't you transform?

If I fought him like that I could not help killing him. .
No . I can't! The Gigantic has tremendous power!
Just like I killed my father!

UGH...
Your luck has ran out
Sho!
U... VH!

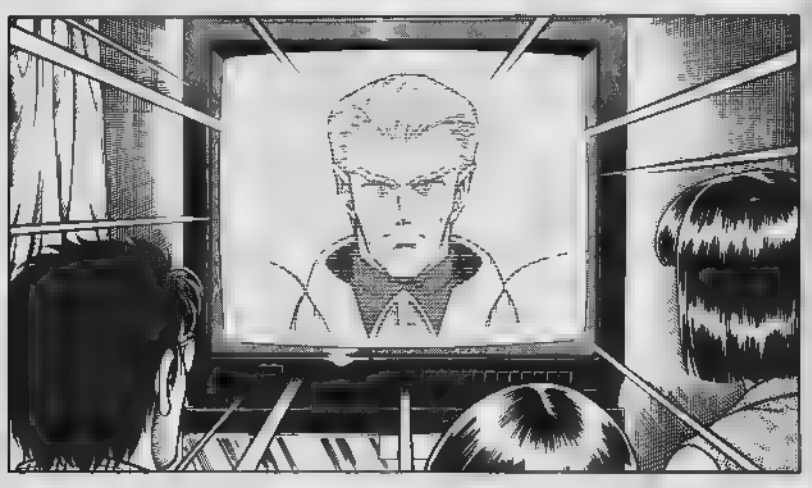
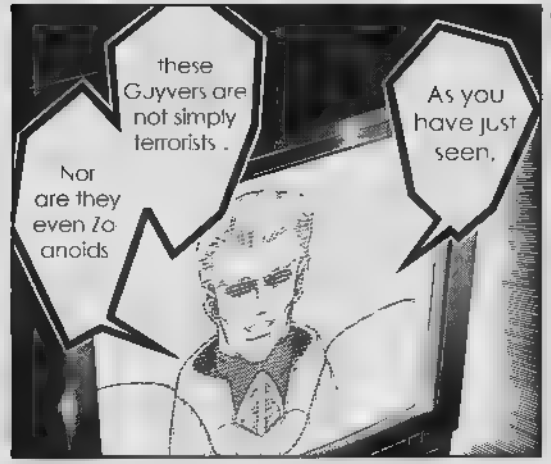
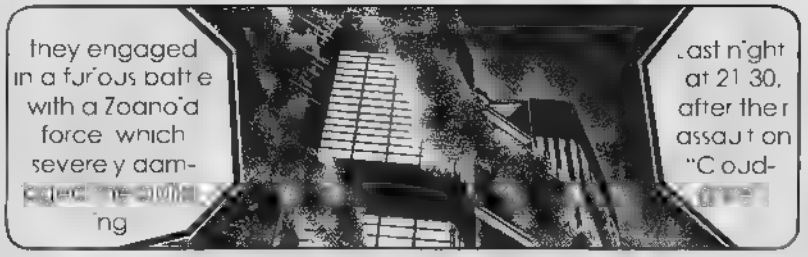
And now a statement by one of the Council of Twelve, his excellence Pulukshter





these Guyvers are not simply terrorists.
Nor are they even Zoanoids
As you have just seen,

Pulukshter!



they engaged in a furious battle with a Zoanoid force which severely damaging
last night at 21:30, after their assault on

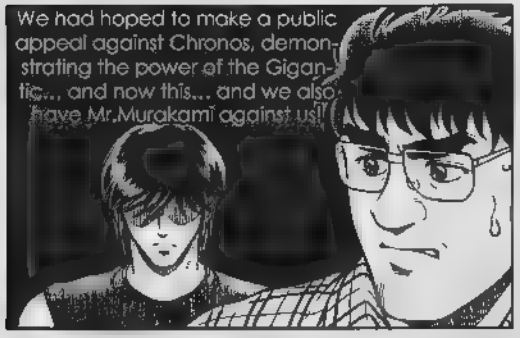
That?
That is Murakami?

Mr.Murakami!

Fortunately they were ultimately stopped by his excellence, Imakarum Mrabilis who has recently arrived from Chronos headquarters.
The perpetrators managed to get away however

We decided to reveal the truth, because in order to resolve this
But now, the terrorists are intensifying their actions

we are going to need everybody's cooperation
This is a disaster.. it's all turned against us...



We had hoped to make a public appeal against Chronos, demonstrating the power of the Gigantic... and now this... and we also have Mr.Murakami against us!!

The Guyvers are highly dangerous

In fact, we are dealing with the vanguard of an extraterrestrial force. Alien spies!
They conspire against mankind
and scientific progress in particular

Their intent is to undermine social order and disrupt global unity!
It was feared this revelation could cause chaos among the public
Up to now, Chronos headquarters has kept their presence a secret
!!
Ohn ...

Mr.Murakami

Archanfel is the
god that rules
this world."

He says he still won´t be able to return
Yes.. he called us three days ago

Are you sure we'll be able to win...

We can take care of that
He returned to Earth ..
together with that other man
Where is Archanfe ?
Hmm

What does the presence of that man mean?
Doctor
He was just a guinea pig for Guyot made into a Zoanoid
Besides, he was an ally of the Guyver before.
That is enough, sir Jarvil!
He could betray us one day, like Guyot

If you do not want to end up like Guyot...

.....
He has undergone a special process.
He wil never betray us
Our Lord Archanfel acts very mysteriously...
A process ..
You should not enquire too deeply if you want to live, Caerleon.

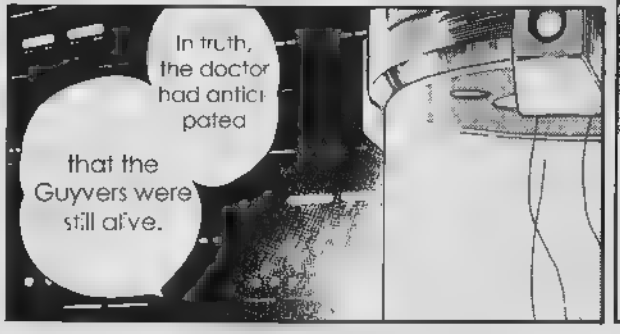
he also developed them
was working on the re-processing of ZX Type,

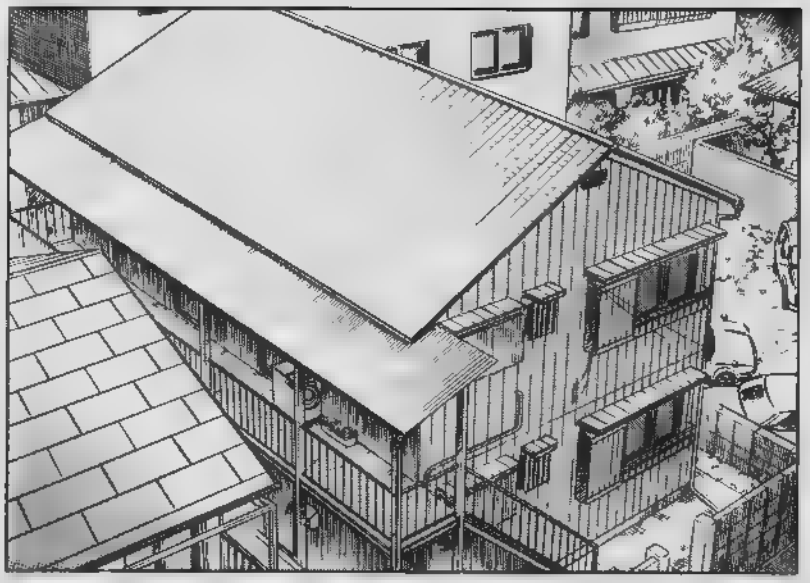
Yes.

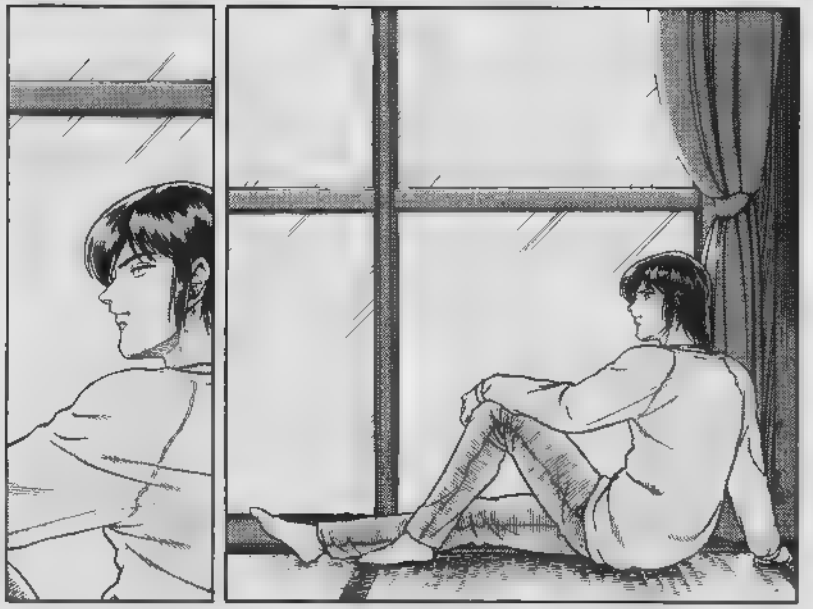


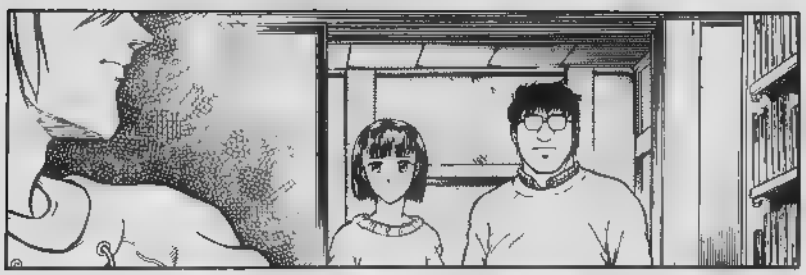
In truth, the doctor had anticipated
that the Guyvers were still alive.

Do as you will..
I will use these four as blood-hounds ..
To track the Guyver down!

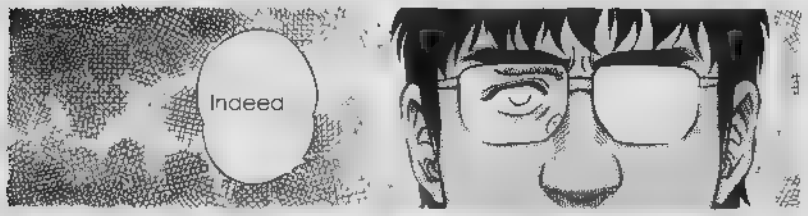
You are as much a bloodhound as them!



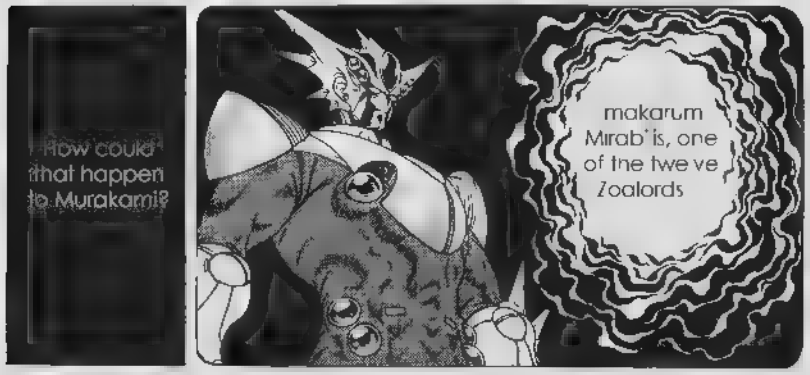




I can understand why
.....
Sho's brooding a lot these days



Indeed



How could that happen to Murakami?
makarum Mirab'is, one of the twelve Zoalords

It must be a form of brain washing

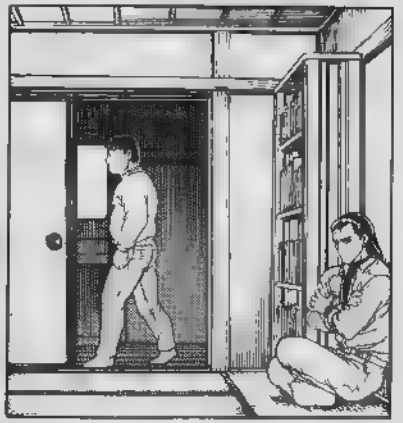
or they imprinted him with a new

So his memories were not erased!

You told the Murakami remembers you and Makashima

But, by God, we have to find a way

In any case, it will be difficult to get the old Murakami back



Even the power of the Gigantic is wasted on him because he fails to use it

Now that Murakami has become our enemy, Fukamachi has become useless

he does not know what to do

with its immense power

The Gigantic was created as a weapon against Zoanoids

Although Fukamachi made it.

Fukamachi does not possess the capability to use such divine power

if only
could
possess it!

Agito.

Ah that'll
be Natsuki!

Guyver Advocacy

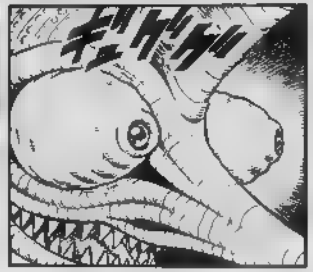
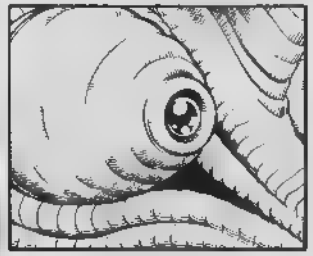
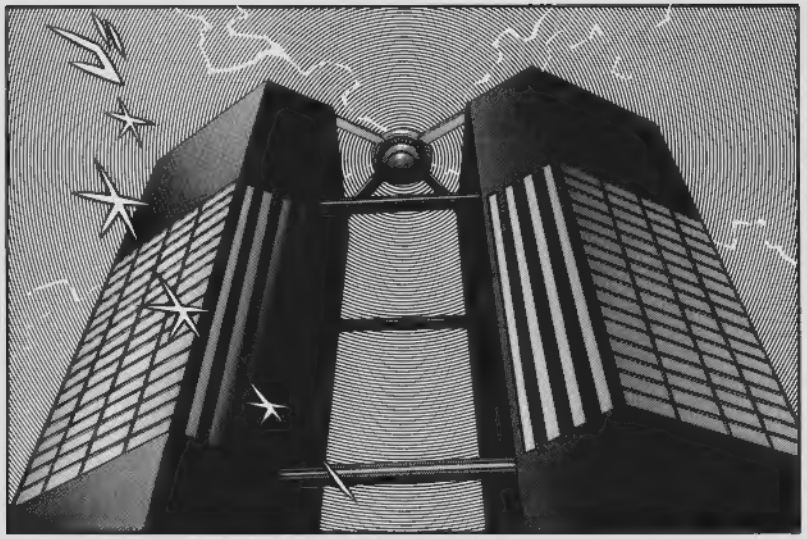
But mine are a lot like those of a human being ..
Aptom can detect the vital signs of Zoanoids.

Anyway I should be far enough away







Keep observing them...
Good...

I found you, Sho!

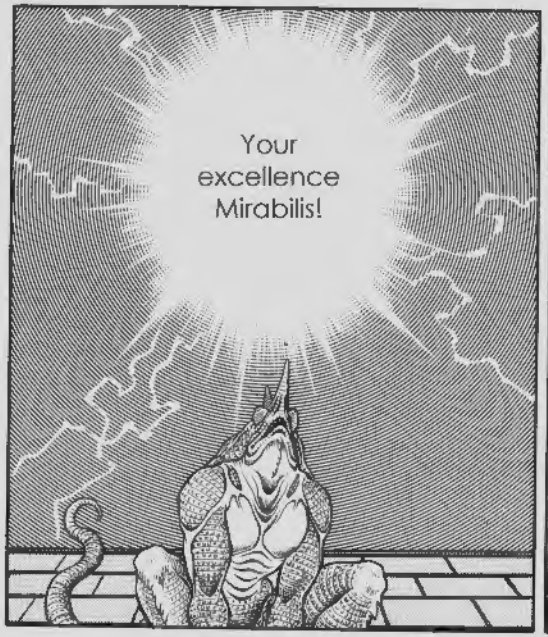
Sho Fukamachi and Agito Makashima!



Your excellence Mirabilis!

Then that is the Guyver's hideout...
I did it!
